easylaughs give workshops that foster teambuilding and enhance communication and presentation skills. What's more they're fun and can easily be part of your company's

day out or themed event. Improv promotes team spirit and group creativity with it's "Yes, and" approach. The workshop could end with the staff showing off what they have learnt by putting of a show of their own. There's no better ice-breaker.

Corporate Events

We provide entertainment for a company event or conference. Ideal for helping delegates or staff relax before or after heavy informative sessions. The entertainment can be tailored to suit the needs or themes of the events.

We offer corporate group packages for our regular Friday night comedy shows.
